DIR OCISO

Office of the
**Chief Information
Security Officer**
State of Texas

TX-RAMP

Is TX-RAMP for You?

Texas Risk and Authorization Management Program (TX-RAMP)[1]
is a standardized approach to the assessment and evaluation of
cloud computing services who process the data of a state agency.

? Are you a state agency,
institute of higher education,
public community college,
or a cloud service provider?

— Yes → **?** Is the new/renewal contract
for a cloud service offering?

No ↓

Not in TX-RAMP scope.

← No

Yes ↓

Check for certification level[2]
via [TX-RAMP manual](#).

↓

Seek Level 1 or 2 certification.

Notes:
1) Cloud computing state risk and
   authorization management program:
   [Texas Government Code § 2054.0593](#).

2) Certification Levels:
   - Provisional: granted as a part of the
     assessment process; level agnostic;
     valid for 18 months.
   - Level 1: non-confidential data or
     low-impact information resources.
     Required by January 1, 2024.
   - Level 2: confidential information and
     moderate/high-impact information
     resources. Required by January 1,
     2022.
